Quantity (Yards)	Fisher Style Number/Color	Width	Special Instructions

For slit orders please specify if needing trimmed* or sealed edges*, as well as if you need the end cut. Also specify if needing FR goods that are not inherently FR*. *Additional charges may apply, refer to order definitions page for information. Trimmed edges will lose about 1" of width, sealed edges will lose about 3" of width. FR coating adds several business days to process order.
